Praise and Worship Havurah Group (ages 10+)

Leader: RoshEl Katzler 303-761-9948

Praise and worship elevates us into God's presence and His power. It is the war cry that breaks down strong holds and sends the enemy running. It is a way of living that glorifies God and brings us into a closer relationship with Him. As a group we will learn how to play together listening to one another musically. We will learn how to flow with the Spirit and know that individual expression is welcomed. We will meet in my fully equipped music studio in my home in Northglenn. All skill levels welcome

Meeting Time: *Wednesday evenings 6:30 – 8:30 p.m. (112th & Washington)*

Are you interested in music? Is worship your favorite part of the service? Do you want to improve your skill as a singer or musician? In this group we will cover very basic music theory, using shape-note singing as a tool to understand reading music. We will also learn some vocal technique to improve your singing! Join us, in our home, for fun and lots of music.
