

What is Healing of the Heart?

We believe that Yeshua, (Jesus) the Messiah is the only source of healing and deliverance.

This ministry is based on biblical principles. We are created tripartite beings ... spirit, soul and body. Though our spirits are made alive when we come to saving faith in Yeshua, our souls need to be renewed by the light of His truth, His healing coming into our souls in an experiential way.

The biblically-based procedures which are the core of this ministry recognize that every emotional pain in the present has an origin, a source that is stored in one's memory. The pain is associated with the original faulty thinking. When one is able to return to the original memory event where the lie was first imbedded, Yeshua enters with truth and healing occurs.

The power of this process lies in its ability to quickly uncover and identify such early embedded lies and lead the wounded person to where he or she can receive a direct word from Yeshua through Holy Spirit.

What others have experienced...

"Even though I have been heavily involved in the prayer movement for the past ten years, in a number of prayer groups and have received much training and mentoring, I was surprised by what God showed us through Healing of the Heart prayer. The things that were revealed were foundational issues and were affecting my life and my health. I thank God for [the facilitator's] sensitivity to the Holy Spirit in leading me through this process."
E. J.

"After decades of struggle with bondage to fear, control and rejection, the Father broke through to me in lovely, intimate and powerful ways. I've seen significant concrete change in my emotional responses and spiritual life. All praise goes to the great Healer." F. S.

"I came to Healing of the Heart for ministry. Yeshua exposed some lies I had been harboring in my heart causing me to hide things and keep secrets from those I love. He then extinguished those lies with the wonderful light of His truth. The release and freedom I now know is absolutely refreshing." G. D.

"I have long suffered the agony of being judgmental and critical in my words. I have struggled to overcome this because I knew it was not godly. When Yahweh showed me where this attitude began and revealed the lies I had believed which were the cause of it, I was set free. I no longer fight to maintain a civil tongue. His kindness and love now flow unhampered. Praise His Name!" H. L.

Healing of the Heart

How do I know this ministry is for me?

- * If you find yourself responding with “old” behaviors even after your new commitment to Yeshua. (2 Corinthians 5:17)
- * If you fight against doing what you know you shouldn’t do...and lose. (Romans 7:20)
- * If you are not walking in freedom and joy and the abundant life Yeshua purposes for you.
- * If the pain of change is less than the pain of remaining in your current state.

What can I expect to receive from this ministry?

Bondages and addictions are broken and the compulsion tied to sinful and destructive behaviors is erased.

As Yeshua speaks truth to your heart about who you are and about the pain you have experienced in your life, His peace comes and healing occurs.

When the Son of Man sets you free you will be free indeed! (John 8:36)
