### OVERVIEW

God saved a people from the dominion of slavery and misery. He then brought them out of that place of darkness into the light of Kingdom. He offered them a covenant to become His treasured people. He gave them His Law and the promised land called Israel. All of this was to prep them for the second and greater Pentecost where a new covenant with even better promises and better provisions would be offered to them. This new covenant would also usher in the beauty, glory, and power of the Holy Spirit. This empowering presence of God would enable people to live clean, and beautifully holy lives, free from the dominion of the uncleanness and defilement of sin and shame! This is what it means to be free! This is freedom! In this teaching we will explore what it means to be truly free.
